

# DECK DOC

## REVIVE A DECK Directions

Sweep down surface to remove any debris, loose dust & dirt. Surface must be thoroughly dry before Deck Doc Revive a Deck Spray is applied. Shake well before and occasionally during use. Spray a light mist of oil onto surface to be cleaned and revived (2sqm at a time). Spread oil mist with Deck Doc Easy Mop & Lambs Wool Applicator or Deck Doc Handy Handle & Lambs wool Applicator. Spread evenly over surface.

### Note:

To remove stubborn stains such as bird droppings interchange the Lambs Wool applicator with the Deck Doc Oil/Scouring Pad. Scrub stained area. Wipe off wet oil immediately to remove dirt and grime using any suitable dry cloths. Surface may be buffed to a satin sheen using Deck Doc Microfibre Pad or dry cloths.

**DO NOT LEAVE ANY WET OIL ON SURFACE**
