

# DECK DOC

## APPLICATORS Directions For Use

**EASY MOP HEAD (excluding wooden handle)**  
Professional Universal Swivel Mop Head with Velcro attachment.  
All Pads are interchangeable for easy Press on/ Peel Off

**CLEANER SCOURING PAD**  
Coarse Heavy Duty Pad. Use to apply Deck Doctor Timber Cleaner.  
For rapid removal of built up dirt and grime.

**LAMBS WOOL APPLICATOR**  
Designed and engineered to absorb 60% less product than other brands.  
Has a short fleece making it easy to apply and prevent over applying.

**OIL SCOURING PAD**  
Heavy duty pad to work wet oil into the timber. Work the oil both with the grain and against the grain. **THIS IS AN IMPORTANT PROCEDURE AS IT ASSISTS WITH DEEPER PENETRATION AND ABSORPTION. IMPROVES DRYING TIME AND LEAVES A SMOOTHER SURFACE.**

**BUFFING PAD**  
To buff up and enhance surface for a smooth satin finish.  
Remove excess oil by tying clean cloths around Mop Head to wipe down surface after oil applications.

### CLEAN UP

Applicator pads can be cleaned with warm soapy water or mineral turpentine.  
Store in a sealed container for re-use.

### TIPS

Pre oil decking boards all sides before laying as well as cut ends.  
Prevents warping.  
Seals in tannins (colour).  
Use Deck Doc Hand Applicator Kit to apply to Outdoor Furniture, Feature Panels, Windows, Doors.
