

To our valued Deck Doc customers, friends and community.

During these unprecedented and uncharted times with the spread of the coronavirus (COVID-19), our number one priority is to protect our Deck Doc Community: our employees, customers, friends and extended business partners.

We have been closely following the press releases and guidance issued by the WHO and the Australian Government and implementing these practices to ensure that we limit the spread of this virus in our community.

Our business remains open, practising stringent hygiene measures to ensure our community is protected. We will continue this way until the Government requires all business to shut down.

As per normal, our online store is open 24 hours a day for your convenience.

Please do not hesitate to contact us if you have any questions.

We thank you for your continued support.

Kindest Regards,

Paul Rowe
Director.
